

Patient Portal Registration Form

We know you're busy. That's why Barnabas Health's physician practices are offering a way for you to manage your healthcare online.

Barnabas Patient Portal is a convenient and easy-to-use online system that allows you to:

- Communicate with your doctor's office
- Request prescription refills
- Review your lab results
- View your personal health information
- View past and future appointments, and request a new appointment

Barnabas Patient Portal is encrypted and password-protected, so health data remains secure.

Sign up and make managing your healthcare a little easier. To get started, please fill out the information below and return this card to the receptionist at the front desk.

Print Patient's Name

Patient's Date of Birth

Last 4 digits of patient's social security number (This will be used to confirm your identity when you create your account.)

E-mail address (If the e-mail address provided belongs to someone other than the patient, please make sure that individual is listed on the Authorization to Release Information Consent.)

Fill out the four questions on this card and return it to the front desk at your physician's office.
